

use comice pears

peel pears keeping stalks attached - might need to slice off a bit of bottom to make them stay upright

place upright in large saucepan & add cinnamon stick

add 250 g caster sugar into water

add 300 ml amaretto

add enough water to cover pears

put lid on pan

cook pears over medium heat for 45-50 min, checking occasionally to make sure they haven't boiled dry

when pears cooked, remove and serve in bowls

serve with ice cream
